INVITATION FOR EXPRESSIONS OF INTEREST (EOI)

(e-Content Development for Algorithmic Thinking with Python)

DUE DATE: 16.03.2026, 15.00hours (3:00 pm).

The Human Resource Development Centre (HRDC) of APJ Abdul Kalam Technological University (KTU), Thiruvananthapuram, proposes to develop e-content in the form of recorded video sessions for the course Algorithmic Thinking with Python (Course Code: UCEST105), included in the BTech 2024 Scheme curriculum of the University.

In this connection, HRDC has proposed that the University may invite an Expression of Interest (EOI) from eligible and qualified faculty members for the development of high-quality e-content aligned with the approved syllabus of the BTech 2024 Scheme.

The salient details are as follows;

Course Details:

- Course Title: Algorithmic Thinking with Python
- Course Code: UCEST105
- Applicable Programme: BTech (2024 Scheme), KTU

Content Structure:

- The course syllabus comprises four (4) modules.
- The total duration of the video content shall be limited to 20–25 hours.
- Each module may be divided into smaller units with individual video durations of 10–30 minutes.
- Long continuous video lectures exceeding 30 minutes shall be avoided.
- The content shall include interactive elements such as activities, quizzes, or problem-solving tasks to enhance student engagement.

Recording and Hosting:

- Since the University does not currently have a dedicated recording studio, the selected faculty shall use their own suitable hardware and software facilities for recording, ensuring good audio-visual quality.
- The selected expert faculty shall also be responsible for uploading the content to the University's Learning Management System (LMS).

Eligibility Criteria:

Applicants shall be faculty members from:

- National Institutes such as IITs, IIMs, IISERs, NITs, IISTs, IIITs, or
- Affiliated colleges of KTU or
- Teaching departments of other Universities.

Educational Qualification and Experience:

- UG, PG, and PhD in Computer Science and Engineering / Information Technology / Electronics and Communication Engineering, or related disciplines.
- Minimum five (5) years of teaching experience.
- Desirable: Prior experience in e-content development for reputed platforms such as SWAYAM-NPTEL.

Remuneration:

- Content Development: ₹40,000/- (₹10,000/- per module)
- Academic Review: ₹16,000/- (₹2,000/- per module for two subject matter experts)

Plagiarism and Copyright Compliance:

- The selected faculty shall ensure that the content is original and free from plagiarism.
- Proper copyright clearance shall be obtained for any third-party materials used.
- Plagiarism detection tools such as URKUND or Turnitin may be used to verify originality.
- Proper references and credits shall be provided for all source materials.

Content Review and Approval:

- The developed e-content shall be reviewed by two subject matter experts appointed by the University.
- The content shall be accepted only upon favourable recommendation by the reviewers and approval by the competent authorities.
- Upon approval, the content shall be hosted on the University LMS.

The Expression of Interest (EOI), in the prescribed proforma, should be sent to the following address:

The Dean (Academic)

APJ Abdul Kalam Technological University

CET Campus

Thiruvananthapuram

Kerala- 695016

Dr. VINU THOMAS
Dean (Academic)

Proforma for Inviting Expression of Interest for Developing e-content for Algorithmic Thinking with Python

1	Name	
2	Designation	
3	Department	
4	Contact Details	Email ID: Mobile Number
5	Teaching Experience (in years, months)	
6	Nature of Employment	Permanent ☐ Temporary ☐ Retired ☐
7	Affiliating Institution	Name of the Institution: Address: City: State: PIN: Email id: Phone:
8	MOOC/E-Content Development Experience (Courses must be hosted on platforms like NPTEL, SWAYAM, or by recognized universities - Only courses with video lectures will be considered)	
9	Number of SCIE indexed Research Publications	
10	Details of SCIE indexed Research Publications. Attach separate sheet if required. (Sl. No, Title of paper, journal name, publishers, Vol, Year of publication, DOI).	
11	Are you currently a member of Board of Studies (Computer Science or allied disciplines) of KTU?	
12	Google drive link to sample video	

I hereby certify that all the information provided above are true to the best of my knowledge and belief.

Signature with date.

Name:

Documents to be Submitted:

1. Proof of teaching experience.
2. Details of MOOC/E-content development experience (with supporting documents).
3. Proof of publications (attach the first page of each publication).
4. Proof of SCIE indexing of publications (relevant records from Web of Science — webofscience.com / mjl.clarivate.com)
